Bulgaria

Bulgarian Society Of Manual Medicine
BSMM

18

Bulgarian Society Of Manual Medicine/ BSMM/
official FIMM member
FIMM General Assembly,
Elche, Spain
24 Oct 2019

19

On 31 March in Nessebar the BSMM has held it's annual Meeting. According to the societies regulations an election of a new governing body has been held. The current leadership is :

President: Ass. Prof. Ilia Todoroff
Treasurer: Dr. Zlatko Baklev
Secretary: Dr. Dimitar Genov

Members in 2018: 34

Annual meeting: once per year for one day.

20

Education: in transformation of the format of the courses, caused by the demands of the attendants and the FIMM new policy.

The course consists of the following parts:

- Introduction in Manual Medicine. Examination techniques – all body regions.
- Manual therapy for the lumbar spine and pelvis.
- Manual therapy for the thoracic spine.
- Manual therapy for the cervical spine.
- Manual therapy for the peripheral joints.
- PIR techniques – theory and practical approach.

Every cycle duration is 3 days (18 days all).

21

The additional 120 hours will be provided to the attendants in the form of practical workshops according to the FIMM Guidelines. The courses are held in Varna, in Saint Marina University Hospital. BSMM has signed a contract with the Medical University – Varna for a course cooperation and certification.

Those who have covered the previous courses in the last 10 years have actually 168 hours of education. We are to allow them to upgrade them to 300 by the practical workshops in Varna. This of course will take them several years.

22

- **Membership:**
 - # Specialty/300+ hr
- **Status MM Recognition:** additional competence for medical doctors
 - Accrediting Body(ies): Ministry of Education / Medical universities organizing the courses
 - Nat'l Society Certificate : up to now covered 168 hours
- **Education**
 - # Programs: BSMM Education Program
 - # Educational Sites: Varna, Sofia, etc.

Education

Programs/Yr: 1 National Meeting – 3 days

National Society Report – CANADIAN ASSOCIATION OF ORTHOPAEDIC MEDICINE

28

National Society Insights

Strengths

#1 consistent international meetings of high calibre

#2 manual therapy teaching

Weaknesses

#1 too few medical doctors learning detailed manual diagnostic and therapeutic techniques and assessment

#2 too much emphasis on injection techniques

Opportunities

#1 National board oral and written certification

#2 Greater medical school inroads with high calibre university national meetings- recent meetings 2018-2019- U of Toronto

Threats #1 loss of skilled manual MD therapists with no upcoming MD's- "Me too" caution

National Society Report – CANADIAN ASSOCIATION OF ORTHOPAEDIC MEDICINE

34TH ANNUAL CONFERENCE
REGENERATIVE ORTHOPAEDIC
MEDICINE

October 25 – 27, 2019 –
Victoria, BC

Location: Inn at Laurel Point

30

CANADIAN ASSOCIATION OF ORTHOPAEDIC MEDICINE

Innovative Approaches To Treating Chronic Pain

UBC CPD accreditation

We are pleased to announce this conference has been approved by UBC:

Up to **18.25 MOC Section 1** Group Learning credits. This program meets the certification criteria of the College of Family Physicians of Canada and has been certified by UBC CPD for up to **18.25 Mainpro+** Group Learning credits. Each physician should claim only those credits accrued through participation in the activity. Our American colleagues may convert these credits through reciprocal agreements.

31

CANADIAN ASSOCIATION OF ORTHOPAEDIC MEDICINE

ANNUAL MEETING

Full Schedule

FRIDAY: OCTOBER 25TH

07:00 REGISTRATION & BREAKFAST

07:50 Welcome & announcements

08:00 Tribute to Dr Robert Kidd – “ To find health should be the object of the Dr- Anyone can find disease-A. T. Still”

08:10 Dr Gallagher: optimum health-guide to nutrition, supplements and hormones

09:25 Q & A

09:40 Drs. Fehlaui and Hooper: introduction to concussion

09:55 Dr McCrodan: neuro-optometry after a concussion

10:25 NUTRITION BREAK & VISIT EXHIBITORS

10:55 Dr. Gretton: neuroplasticity

11:25 Dr. Squire: post-whiplash headache management

11:55 Dr. MacNicol: RFN, cryolysis and facet blocks

32

3:30 NUTRITION BREAK

4:00 Dr. Graboski: treating migraines: an update including CGRP receptor antagonist medications and botulinum A

4:30 Dr. Mathes: a surgeon’s approach to non-operative management of knee OA

5:00 Dr. De Pauw PhD: neuropathic pain treatment modalities including an update on cannabis

5:45 pm – 6:45 pm [CAOM AGM](#) (everyone welcome)

6.45 pm RECEPTION/LIGHT SUPPER

33

SATURDAY: OCTOBER 26TH

07:00 BREAKFAST

08:00 Dr. Gallagher: ozone in chronic pain

08:30 Dr. J. Bowler: workshop announcement

08:35 Dr. Stoddard: PRP and adipose stem cells

09:15 Drs. D. and J. Bowler: perineural injections with and without ultrasound guidance

10:15 NUTRITION BREAK

10:45 Dr. Louw: Hyaluronic acid supplementation including use with platelet-rich plasma

11:20 Dr. Cresswell: ultrasound-guided injections

34

12:00 LUNCH

AFTERNOON WORKSHOPS

Choose 2 out of 4 workshops, which will run as follows:

1 -2:45 pm First workshop

2:45 -3:15 pm NUTRITION BREAK

3:15 -5 pm Second workshop

WORKSHOP A: [Manual Medicine](#)

Drs. Gallagher and Johnson

- The introductory workshop will be offered twice during the afternoon.
- The advanced workshop will be offered once and continued after the break.

35

WORKSHOP B: [Ultrasound-guided procedures: useful neuraxial, joints, & peripheral structure ultrasound, and “ask the expert” \(radiology & anaesthetics\)](#)

Drs Cresswell (1st workshop only), and MacNicol (both workshops)

- You may attend either during the first or second workshop but topics covered during the workshops will vary: if you wish, you may attend both.

WORKSHOP C: [Prolotherapy](#)

Drs. Gretton, Ouellette and Louw

- The first workshop will cover an introduction to the upper limb.
- The second workshop will cover an introduction to the lower limb.
- You may attend during the first or second workshop or attend both.

36

SUNDAY: OCTOBER 27TH

07:30 BREAKFAST

08:00 Announcements

08:05 Dr. Ouellette: evidence for prolotherapy

08:35 Island Pharmacy: topical medication for pain

09:00 Dr. Louw: safety standards for office procedures, and use of inhaled analgesics

09:30 NUTRITION BREAK

10:00 Dr. Harrison: evidence for platelet-rich plasma

10:30 Dr. Bertrand: treating sacroiliac pain

10:55 Dr. Basson: this changed my practice

11:15 Dr. Louw: RCT on TMJ

11:35 Panel: treating orthopaedic pain successfully

12:00 Closing remarks & forms

37

Dr. Mansoor Mohammed: PhD
Clinical Genomicist Lifestyle and Personalized Genomics Consultant

Dr Martin Gallagher: MD, DC
Director of a multidisciplinary integrative health care facility, Pennsylvania

Dr Corrie Graboski: MD FRCPC
Physiatry, Migraine expert, Brentwood Bay Victoria

41

National Society Content

- Membership: 284 doctors (46 non doctors)
 - Sub-specialty/300: interdisciplinary
 - Rule of MM Society - refresh courses (checked by insurance companies)
- Status MM Recognition: Sub-specialty
 - Accrediting Body(ies): Czech Society of Myoskeletal Medicine, Czech Association of JE Purkyně
 - Nat'l Society Certificate / 300 hrs: Czech Society of Myoskeletal Medicine - Authorization
- Education
 - Courses (basic and refresh)/Yr: 2-3

National Society Report – Country Czech Society of Myoskeletal Medicine

42

National Society Insights

- Strengths
 - 1. Good education according Lewit's and Janda's school
 - 2. To hold Janda's day conference 1/year
 - Congress of MM/2 years (November 21st and 2nd 2019- Prague)
- Weaknesses
 - Disadvantage not enough English or German speaking doctors
 - Inter and intra international interest
- Opportunities
 - 2019 - teacher's educational course (organizer J. Jandova)
 - To disseminate knowledge of MM by Medical chambre
- Threats
 - 1. Pool of young teachers is necessary (ready)
 - 2. Interest of young medical doctors

National Society Report – Country Czech Society of Myoskeletal Medicine

47

DSMM’s content

- Membership: 363 (371 last year)
 - 350 members are medical specialists
 - 75 is >70 years old (83 last year)
 - Specialty/300+ hrs: 48 members (45 last year)
- Status MM Recognition:
 - Additional competence, the Danish Health Authority
 - Accrediting Body: DSMM, educational board
 - Diploma 300 hours

National Society Report – DSMM

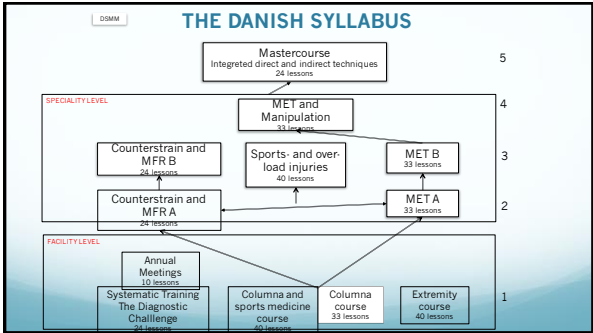

48

DSMM’s content

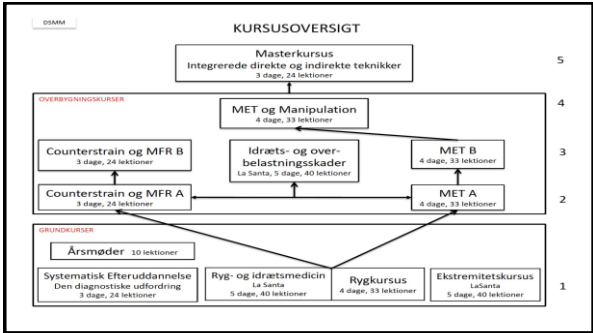

- Education:
 - 2018 we have had 6 programs:
 - 2 courses at facility level,
 - 2 courses at specialty level,
 - 1 Master course (Mike Kuchera),
 - 1 annual meeting

National Society Report – DSMM

49

50

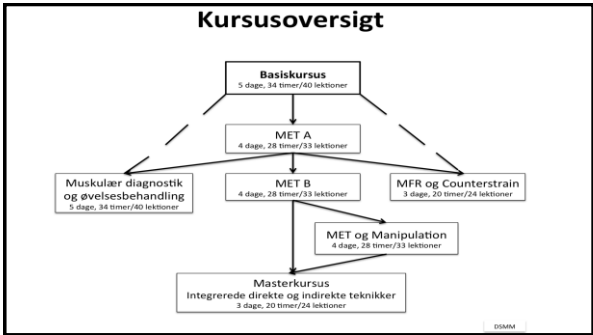

51

DSMM's Insights

- Strengths:
 - All with a diploma are physicians and specialists
 - Intensive practical courses. Teacher:Student ratio is 1:6
 - Active training groups all over the country
- Weaknesses:
 - No opportunities for widespread bedside teaching
- Opportunities:
 - Beneficial change at specialty level
- Threats and challenge:
 - Declining membership
- Effort:
 - New curriculum
 - Important changes at facility level

National Society Report – Germany

69

DGMM Content

- Umbrella organization of 3 individual groups, exclusively physicians/surgeons on capacity level (DAS), to gather forces on national and international level
 - MWE (Physicians for Manual Treatment of Spine and Extremities) (incl. medical osteopaths: DAAO) 2698 (- 61 = - 2,2%)
 - DGMSM (German Society for Musculoskeletal Medicine) (incl. med. osteopaths: DGOM) 1.163 (- 45 = - 3,7%)
 - AEMM (Physicians Society for Manual Medicine, Berlin) (incl. medical osteopaths: BAOM) 934 (- 17 = - 1,8%)
- Total: 4795 (- 123 = - 2,5%)

National Society Report – Germany

70

DGMM Content

- Membership: 6015
 - Specialty/300+ hr: 6015
 - Facility/100+ hour: none
- Status MM Recognition: "Additional competence to a registered specialty"
 - Accrediting Body(ies): Chamber of Physicians (public corporation)
 - National Society Certificate: 320 hrs
- Education
 - Programs/Yr: > 120 courses
 - Educational Sites: 17

National Society Report – Germany

71

DGMM Insights

- Strengths
 - Member of the Association of Scientific Medical Specialist Societies (guidelines)
 - Umbrella unifies strengths and possibilities of 3 societies
- Weaknesses
 - Umbrella means there is still inner concurrence
 - No unified curriculum yet
- Opportunities
 - Recognition of Manual medicine for physicians in general
 - Approach through joint work for UEMS curriculum
- Threats
 - Legal ambiguity concerning Osteopathy in Germany
 - 1-year education in an orthopedic hospital for recognition in MM

National Society Report – Germany

72

New policy of Chamber of Physicians

- Education and Training in MM can be fulfilled by
 - Either 320 hours in courses
 - 120 hours basic courses
 - 200 hours advanced courses and exam
 - Or 12 months "working" in an "authorized clinic" after becoming a specialist
 - Head of the Clinic being Authorized to teach MM
 - Clinic/Private Practice being accepted for Education and Training in MM
- National Chamber of Physicians not recommended to the Federal state chambers of Physicians not to recognize a 1-year clinical education in an orthopedic hospital instead of participation at course curriculum of 320 hours. We have to wait-and-see for Federal state response.

National Society Report – Germany

73

National news concerning MM

- 🟢 **National guideline of Spondyloarthritis (2019):**
 - “Manual mobilization (spine and extremity joints for better posture) is a therapeutic option”
 - “Manipulations of the spine are not a therapeutic option”

National Society Report – Germany

National Society Insights

- Strengths
 - Patient Satisfaction
 - Effectiveness of treatment
 - Scientific Program
- Weaknesses
 - Still not recognised / Alternative/complementary Medicine
 - Additional competence not known in NL despite UEMS
 - Aging group of colleagues
 - Accreditation courses: not by other specialties
- Opportunities
 - Aiming for recognition as a specialty
 - Transition brings professionalisation of organisation;
 - Certification;
 - Quality policy
- Threats
 - Governmental policy on recognition
 - Insurance companies
 - Other groups on MM: lay-osteopaths/chiropractors/Physiotherapists

144

- Strengths
 - Only one national association with one regional french speaking subgroup
 - Education integrated in the Swiss Medical Association program
 - Highly visited yearly Congress in Interlaken :1160 participants in 2018
 - Next Annual Congress Interlaken Nov 28-30 2019

145

146

147

- Weaknesses
 - Field of Manual Medicine is still difficult to understand by the public as it is integrated in the practice of medicine! Vs
 - Osteopathy (practiced by non medical doctors) or
 - Osteopathy practiced by medical doctors) or
 - Chiropractic (Chair at Zürich University and Federal Diploma.)

148

New

- Opportunities
 - CAS and DAS with Bern University
 - Manual Medicine recognized as an interdisciplinary additional competence with the title of **Specialist in Manual Medicine**
 - Mandatory continuous education, recertification every 5 years (50 credits over 5 years, at least 25 from SAMM)
- Threats
 - Plethora of other interesting education offers (sport medicine, ultra-sound, geriatrics...)
 - Lack of primary care physicians

National Society Report – American Academy of Osteopathy

193

National Society Insights

- Strengths**
 - #1 - Dedication and devotion of volunteer physicians and paid staff
 - #2 - Benefits of osteopathic treatment
- Weaknesses**
 - #1 - Other demands on the volunteer physician and resources
 - #2 - Within a limited budget, supporting all of the needs nationally to promote strong Osteopathically focused educational programs and research
- Opportunities**
 - #1 - Single Accreditation System in Graduate Medical Education
 - #2 - Distribution of information about osteopathic medicine, nationally
- Threats**
 - #1 - Single Accreditation System in Graduate Medical Education
 - #2 - Reliance on volunteerism
