Re: FIMM General Assembly 2014

Dear President of FIMM national member society!
Dear Secretary General of FIMM national member society!

It is my great pleasure to invite you to the FIMM General Assembly 2014. Please find attached the preliminary agenda. I would be very pleased to meet you personally in Bratislava, Slovak Republic, on Friday, September 19, 2014. It will be the 49th General Assembly of this Federation. The General Assembly will start at 09:00 am and probably last until 06:00 pm.

The agenda of the Assembly holds the important issue of **electing the new President**. Hitherto there is one candidate known to the Executive Board who wants to become the new FIMM President (2014-2018). This is Simon Vulfsons, the chairman of the Israel member society. Anybody else who wants to run for presidency should declare this to me as soon as possible – but of course he may also be nominated from the floor during the GA.

The Executive Board met in April in Berlin. Main issue was a Strategic discussion on the future policy and structure of FIMM. It will be also an agenda item in Bratislava to find out whether a majority of FIMM national member societies think the structure and statutes of FIMM being still appropriate to the actual situation, or whether we may change some essentials – like giving FIMM more a structure like the multinational organisation OSCE, the organization for Safety and Cooperation in Europe. A respective paper will be send to you during the summer.

Substantial participation is desired in the process and likewise the representation of your society in these important activities. You will receive further detailed information about the Assembly.

As for a presentation of your society at this reunion, I would like to ask you or a delegate of your society to have a short presentation about the activities of your society, indicating also the number of your members that are according to the standards of your country fully trained in M/M Medicine. However, please make sure that your presentation does not take more than 4 minutes.

The Slovak Society of Myoskeletal Medicine (SMSM, President: Štefan Bodnár, MD) will host the FIMM General Assembly on Friday September 19th – Thank you very much!
